Excise Inspectors. As this change gives them additional ground to object to more such inspectors the Excise Comr has given reasons in paras 2, 3 & 4 of his letter no. 39 of the 31st July 1905 (8 in no 1 of the file) for the above proposals & asked for orders thereon.

The Excise Commissioners proposal may be sanctioned. I doubt however whether the new grade should be called a Non-Gazetted grade. Another class may be added to the Ministry Class of Inspectors & below them Apprentice Inspectors are also decided upon. Then there should be a redistribution
